THE SENATORIAL CONVENTION.

The Republican Convention at Garden City on Tuesday for the purpose of nominating a candidate for State Senator was a well attended and harmonious meeting. In another column we give the proceedings in full.

The nomination of J. W. Rush, of Pawnee county, was made by acclamation amid the wildest enthusiasm of the convention. Mr. Rush is a prominent business man in Larned and an influential citizen of Pawnee county. Notwithstanding the bolting of a portion of the Republicans of this district Mr. Rush has a fair show of success. He has the prestige of a nomination by the regularly appointed convention. He is pledged to a platform of principles upon which all sincere and honest Republicans stand. We do not regard the auspices unfavorable because three candidates will be in the field. The nomination at Garden City will commend itself to the Republicans who desire honesty, sound principles and fair dealing. As the campaign progresses Republicans will see that Mr. Rush takes the lead in the race.

THE IRISH REVOLT.

The revolt of Irish-Americans against the candidacy of Governor Cleveland is as a thousand to one when compared with the feeble kick of the so-called independents at Blaine. In fact, in all the larger cities there is a general uprising of the working classes against the Democratic nominee, and any one not blind must see that he is already doomed to overwhelming defeat. Irish-Americans, anti-monopolists and labor organizations control millions of votes in this country, and it is now certain that 90 per cent of this mighty force will be hurled against Cleveland in November.

The leaders of the Democratic party admit that at present the revolt is deep and widespread, but they are confident the party card will bring back all those of prominence in the anti-Cleveland movement into the party ranks before the election, which they profess to believe will leave the masses without directing force, and so they will swing back into their old place in the Democratic ranks. There is every indication that they will find themselves mistaken in their calculations. The labor element has been so often deceived by Democratic promises in political campaigns that it is ripe for resolutions, and the prospect now is that it will in the present canvass seek other and permanent alliances.—Kansas City Journal.

Henry Bergh writes a letter to Governor Glick, eloquently protesting against the Dodge City bill fight, and calls the governor's attention to the following statute as providing authority which might have been used to prevent the exhibition:

Laws of Kansas, 1879, chapter xxxi, section 24: "Every person who shall maliciously or cruelly maim, beat or torture any horse or other cattle, whether belonging to himself or another, shall, on conviction, be adjudged guilty of a misdemeanor and fined not exceeding \$50."

It is hoped the governor will shut down upon any further attempts to establish Spanish feudal institutions upon the soil of enlightened Kansas.—Emporia Republican.

PROCEEDINGS.

Of the Regular Republican Senatorial Convention held in Garden City, July 22, 1884.

Convention met in Jones' hall at 10 a. m. The chairman of the Senatorial committee, Hon. Robert McCane, called the body to order, and proceedings were opened with prayer by Rev. McKee.

The call for the convention was then read, and on motion D. M. Jessup, of Hodgeman county, was nominated as temporary chairman; he was unanimously elected and upon taking his seat thanked the convention in a few well chosen words. C. F. Miller, of Pratt, was elected temporary secretary.

A committee on credentials was appointed as follows: N. B. Carskadon, of Pratt, E. Huddleston, of Pawnee, A. D. Kronk, of Edwards, F. T. M. Wenie, of Ford, O. W. Crow, of Finney, E. B. Titus, of Lane, Jos. Griffith, of Scott, R. W. Tarbox, of Seward and Doc Gore, of Wichita.

The following were appointed a committee on resolutions: N. B. Kline, F. D. Taylor, Robt. McCane, C. J. Jones and E. B. Titus.

The following were appointed a committee on order of business: D. M. Rose, J. Q. Shoup, E. D. Swan, and C. O. Chipman.

The following were appointed a committee on permanent organization: J. W. Sidlow, J. F. Whitney, R. W. Tarbox, C. F. Miller and J. F. Marsh.

On motion the convention took a recess until 1:30 p. m.

AFTERNOON SESSION.

Convention called to order at 1:30 p. m. Committee on order of business submitted their report, after which the committee on permanent organization reported the following officers: president, N. B. Kline; sec'y, C. F. Miller, asst sec'y, F. D. Taylor. On taking his seat Judge Kline made a few well chosen remarks, thanking the convention for the honor conferred and assuring the members that he would endeavor to deserve the compliment. He deeply regretted, he said, the action of a portion of the party, but had no doubt but what the wisdom of the better element of the party would prevail, and our actions of to-day would have the seal of approval set upon them by the voters in November. The Judge's remarks were loudly cheered.

Com. on credentials reported the following delegates and alternates entitled to seats in this convention: Pratt, C. F. Miller and N. B. Carskadon; Pawnee, T. McCarthy, E. Huddleston, T. Leftwich, D. M. Rose, F. D. Taylor, delegates, and E. W. Lowery, S. D. Fitzgerald, J. F. Whitney, W. D. Witz and H. J. Taylor, alternates; Hodgeman, D. M. Jessup to cast the four votes of the county; Scott, Joseph Griffith; Wichita, Clinton Gore, Lane, E. B. Titus; Ford, (8 delegates, 4 vote each) J. A. Cline, E. D. Swan, N. B. Kline, J. Q. Shoup, Wm. Hoover, Jno. W. Sidlow, L. K. McIntyre and F. T. M. Wenie; Seward, R. W. Tarbox; Finney, C. O. Chapman, C. J. Jones and O. W. Crow, delegates, and J. W. Weeks, Levi Wilkinson and John Stevens, alternates.

The committee on resolutions then submitted the following:

PLATFORM.

Resolved—That we hereby adopt and heartily endorse the platform adopted by National republican convention assembled at Chicago June 1884, and pledge ourselves to support and work for the election of the candidates nominated by said convention.

Resolved—That we hereby endorse the platform of the republican party announced by the state republican convention held at Topeka, Kansas, July 1884, and pledge ourselves to heartily support the candidates there nominated, and to assist in rolling up an old time Kansas republican majority for the state ticket.

Resolved—That we recognize the eminent ability of Hon. John J. Ingalls, U. S. Senator from Kansas, and believing it to be in the best interests of the state that he be continued in the position he has so ably filled, we hereby instruct the nominee of this convention to vote for his re-election.

Resolved—That the question of prohibition having been crystallized into the constitution and status of this state, we are in favor of a rigid enforcement of all law relating thereto.

Resolved—That we favor such modification of the present railroad commission law as will prevent unjust discrimination in favor of or against persons or places, and we demand such rates of fare and freight as will yield to the railroad companies doing business in the state, just and fair returns on the capital actually invested, but not retain dividends on watered stocks or bonds.

Whereas the so-called republican convention at Larned, the 14th inst., was called by a bolting faction of the senatorial committee through the misrepresentation of designing and unprincipled men, and whereas, while we do not wish to cast reflection upon the actions of men who were induced to participate in the convention through the falsehood of certain corrupt men, therefore be it

Resolved—That we do not believe it to be in the interest of the people of this senatorial district to endorse said convention obtained through fraud and misrepresentation aforesaid.

Resolved—That D. M. Frost, the nominee of that convention, by his corrupt bargain which if elected he will use his influence to remove men from official position solely for the reason that they do not support him; by his support of gambling, whisky selling, prostitution and kindred vices and crimes, is a man wholly unfit to receive the votes of this senatorial district, and his nomination is an insult to every man who desires to see good society and pure homes.

Nominations being called for, Robert McCane and J. W. Rush were put in nomination. Mr. McCane, in a neat speech, withdrew, promising to work with a will for J. W. Rush. The rules were suspended, and on motion of Mr. McCane, Mr. Rush was unanimously declared the nominee of the convention.

C. J. Jones, E. D. Swan and R. McCane were appointed to notify the nominee.

Roll was called and the following gentlemen were elected as Senatorial Committee: Pratt, C. F. Miller; Hodgeman, D. M. Jessup; Seward, R. W. Tarbox; Lane, E. B. Titus; Ford, O. W. Crow; Scott, Joseph Griffith; Wichita, Clinton Gore; Pawnee, T. McCarthy; Edwards, A. D. Kronk; Finney, E. B. Titus; Clay, D. A. Valentine; Johnson, J. O. Fickering; Noebo, J. L. Dennison; Morris, J. M. Miller; Cloud, F. W. Sturges; Trego, W. S. Tilton; Reno, T. T. Taylor.

Sheldon, Edwards—R. McCane; Ford—J. Q. Shoup; Finney—J. W. Weeks; Lane—Geo. Wright; Scott—Joe Griffith; Seward—R. W. Tarbox; Wichita—Clinton Gore; Barber—Geo. D. O'Grady; New—J. W. McFarland; Stafford—Frank Cox; Hamilton—Matt. E. Wolf; Comanche—Chas. Chapman. After short addresses by Messrs Booth, Worrell, Flick, Abbott and others, and the expression of good will and good feelings by all, and adopting vote of thanks to the officers of the convention, and the people of Garden City, the convention adjourned.

After the convention adjourned the central committee held a meeting and elected Robert McCane, of Edwards, chairman, and C. F. Miller of Pratt secretary.

Senatorial Committee, 35th District.

The 35th Senatorial Committee met pursuant to call of Chairman McCane, July 22nd, 1884, at Garden City, Kansas. Present, Robert McCane, N. B. Kline, E. P. Shepherd, N. B. Jones, C. O. Chapman, W. A. Watson by E. B. Titus, O. P. Reave, D. M. Jessup, J. Q. Shoup.

On motion N. B. Kline was appointed temporary secretary.

On motion D. M. Jessup was accepted as joint chairman from Hodgeman county proxy of J. A. Whitehead.

On motion the chairman of the committee was appointed to prepare an address to the voters of the district, setting forth the facts regarding the action of the committee calling the convention, and the subsequent action of a portion of the committee, and that the address be signed by the committee members present.

On motion committee adjourned.

ROBERT McCANE, Chairman.

N. B. KLINE, Secretary.

The Republican State Convention.

The Republican State Convention last week was a harmonious gathering. The ticket presented is a good and strong one, and the resolutions have the right ring. The following ticket was placed in nomination:

Chief justice, A. H. Horton.
Associate justice, W. A. Johnston.
Governor, John A. Martin.
Lieutenant governor, A. P. Riddle.
Secretary of state, E. B. Allen.
State auditor, E. P. McCabe.
State treasurer, S. T. Howe.
Attorney general, S. B. Bradford.
Superintendent public instruction, J. H. Lawhead.

On the question of a resubmission of the prohibitory question: For constitutional convention 62, against 296 votes were cast.

The committee on resolutions, through its chairman, Judge J. C. Strang, reported the following as the platform, unanimously adopted by that committee:

Resolved, That the Republicans of Kansas proudly meet in convention to rejoice over the victory of principles that have glorified our career since we first met in Oawatomie twenty-five years ago. Every promise then made has been grandly reclaimed. We have made Kansas free, and the Nation free, and have kept every step to the motto of the Union making the lead in every measure that has secured human rights and elevated morals and citizenship.

Resolved, That we endorse and ratify the nomination of James G. Blaine and John A. Logan, the first citizen of the Republic, and the brave and gallant Union soldier, and we pledge to them the largest majority ever given to our National standard-bearer.

Resolved, That the National Republican platform meets with our hearty and enthusiastic endorsement as the best statement of living principles ever presented to the American people. Its firm position in adhering to the protection of American industry in demanding the enforcement of the inalienable rights of man, in opposing land monopoly and corporate monopoly, meet with our cordial approval.

Resolved, That prohibition has by a vote of the people, without distinction of party, been adopted as the organic law of this state.

Resolved, That we favor a faithful and honest enforcement of the Constitutional Amendment, that the full effects of prohibition may be realized, and that the declared will of the people may be respected, and that the majesty of the law may be vindicated.

Resolved, That as under the constitution and laws of the state, all errors and irregularities of the inferior courts may be corrected by power proceeding in the supreme court a tribunal composed of members of both of the great political parties of the state, the recent action of Governor Glick in exercising the pardoning power to relieve guilty persons from the just penalties of law breaking solely upon the grounds of alleged wrongs and irregularities excusing as the traits, when they have not sought a review of their cases in the supreme court, is an unwarranted usurpation by the chief executive of the judicial power of the state, and it is an attempt to destroy the confidence of the people in the courts, thereby exciting lawlessness and disobedience to public authority; and such conduct on the part of the Governor, under solemn oath, to obey the Constitution and enforce the law, merits and demands the condemnation of all good citizens, irrespective of party affiliations and regardless of personal views as to the policy of prohibition. Corporations derive their powers from the State, and responsible to the State for the manner in which they exercise such powers. We demand that the present railroad law be so strengthened and amended as to remove its cumulative features and to unequivocally vest in the Board of Railroad Commissioners all necessary power to accomplish the ends sought to be attained, and to compel a compliance with the reasonable orders of the Board, made with reference to these matters as to which, under the provision of said law, such Board has an advisory jurisdiction. The railroad companies of the State are entitled to a fair and reasonable remuneration for services performed by them, but they are not authorized, and should not be permitted to establish rates for the purpose of obtaining revenue to be applied in payment of dividends on illegal and excessive issues of stock or interest upon fictitious and untrue statements.

Resolved, That the Republican party of Kansas, as ever in its history, maintains the equality of all men before the law, without regard to color or previous condition of servitude, and will adhere in the future to that policy which in the past in this State placed the civil rights of all men on a plane where no adverse decision of a court, high or low, could effect them.

Resolved, That the Republican party of Kansas unites its voice with the Nation at large in commendation of the wise, pure and eminently satisfactory administration of President Arthur, and that the profoundest gratitude of the Republicans of this State be and the same is hereby tendered to our Chief Magistrate for his brave and fearless veto of the disgraceful Democratic measure, the "Fitz John Porter Bill," thus rescuing the whole country from deep humiliation and shame, which would have followed its passage.

The news of the rescue of a part of Lieutenant Greely's Arctic colony is gratifying though saddened by the information that all were not saved, for out of twenty-five only seven were found alive. Meager as the news is of the details of the rescue, the fearful mortality of the little colony in its endeavors to escape from exile, tells a story of hardships and suffering that needs no elaboration.

The party was rescued at Cape Sabine in latitude 79 deg. and opposite Littleton island, near where the Proteus sank last year, en route to rescue the Greely colony at Lady Franklin's bay, in latitude 82 deg. The long journey over a great waste of snow and ice, with great dangers to traverse, between Lady Franklin's bay and Cape Sabine, must have been full of toil and suffering, with many examples of heroic fortitude and endurance, for it is understood the whole party reached Cape Sabine in safety.

Bore the great sufferings began, for the frozen blast of the polar region kept the sea open, and being without boats Littleton island could not be reached, where provisions were cached the year previous by the ill-fated Proteus expedition. Starvation sat in, and famine combined with exposure, took one after the other, until seven only of the twenty-five picked men for this polar expedition were left to tell the story of the last Arctic tragedy.

Besides Lieutenant Greely there were two other commissioned officers and a surgeon, and of these Lieutenant Greely alone survives, the other survivors being enlisted men.
